PROFILE SUMMARY

My name is Nidhir Parmar. I am a UI/UX & Graphic Designer with over 2.5 years of professional experience in Graphic Design, Photoshop, Illustrator, and Figma. I strongly believe in creating designs that evoke emotion and prioritize client satisfaction. For more than 2.5 years, I have been actively serving the tech community, helping developers enhance their skills in the field of technology. I am always ready to support fellow developer geeks in learning new trends and growing in their careers.

EDUCATION

2013 — B.Com
smt j j kundaliya collage

WORK EXPERIENCE

Feb 2020 - Nov 2021 — Web and Graphic Designer
Codder Zone

Blend technical skills and creativity to design engaging digital experiences, manage projects, and maintain a strong portfolio.

Nov 2021 - Nov 2022 — Web and Graphic Designer
Lets Manage India

As a web and graphic designer, combine technical skills and creativity to craft engaging digital experiences and manage projects.

Nov 2023 - Present — As a Individual Working
Freelancer

As a freelance web and graphic designer, I create visually compelling digital experiences, design user-friendly interfaces, and manage multiple projects with proficiency in design software. I excel in effective communication, stay current with design trends, and deliver high-quality work on time. My strong portfolio reflects my adaptability, creativity, and attention to detail.
